STREET GUIDE

The Street Guide will save time, save money and make money!

DELIVERIES, SERVICE CALLS, EMERGENCIES... *Get to the right place fast!*

- Identify precise location of an address from nearest cross-street
- Verify correct addresses for deliveries
- Find out multiple occupants of apartments
- Locate businesses in office complexes
- Verify telephone orders (and defeat prank calls!)
- Use closest neighbor and/or nearest phone for emergency situations

COLLECTIONS & INVESTIGATIONS... *Find hard-to-locate people*

- Prevent uncollectable accounts—verify homeownership and length of residency, indicators of stable credit
- Find multiple occupants at an address (not just telephone subscriber)
- Contact neighbors to obtain whereabouts of desired person

➢*Also cross-reference the Alphabetical Section to identify place of employment... to contact people at work.*

SALES... *Find your next customers*

- Target by street or section of city (area of town indicates income level)
- Find new movers—they spend more than the average household
- Use homeownership and length of residency as indicators of stable credit
- Target your sales efforts to any of the following groups:

• homeowners	*• new movers*	*• singles or married couples*
• apartment tenants	*• long-time residents*	*• neighbors of current customers*

- Find multiple adult residents, an indicator of buying power
- Determine names of prospects in your sales territory
- Send personalized direct mail with complete name and mailing address (including zip)
- Contact prospects and customers not listed in the phone book

➢*Also look to the Alphabetical Section for more information on residents, such as occupation and employer, or to confirm dual-incomes.*

Symbol Legend

= homeowner | 2 = length of residency (years in directory) | N = new neighbor (new to address since last edition) | + = intersecting street

CITY DIRECTORY HELPFUL HINTS

Please review the section dividers to learn how you can use your City Directory to make and save money!

Did you know you can find a listing of abbreviations used in your City Directory following the Street Guide section?

Did you know if you call a residence with no answer, you can flip to the Alphabetical section (white pages) to find out their place of employment to contact them at work?

If you're in need of a product or service, you can look them up in the Business section (yellow pages). Then look to the Street Guide (green pages) to find the exact location of the business.

Did you know that the Alphabetical section (white pages) contains spouse, homeownership, occupation and employee information?

Have a question or comment about how we can serve you better? Let us hear from you at 1-800-275-7655.
